

Dementia Friendly Parishes *around the Yealm*

An Invitation

Come and see us at Delamore Arts and Sculpture Exhibition set in the beautiful springtime gardens at Delamore House, Cornwood. The gardens are open daily from 10.30am - 4.30pm from Saturday 1st May to Sunday 31st May and we will be there every day.

We plan for Wednesdays to be dementia friendly days offering support to carers and families to enjoy the gardens and exhibits with a quiet set aside place and company to provide some relaxation if necessary.

Every day there will be a flower trail for children to follow to enjoy the gardens.
